

Benefactor Vision for Tomorrow Award

Scope and Importance of Award

It recognizes innovation that distinguishes the recipient community college from all others.

Criteria – Benefactor Vision for Tomorrow Award

The Benefactor Vision for Tomorrow Award may be presented to individual(s) from the community that demonstrated support which fostered the establishment or growth of a newly evolving technology or field of study.

- What specific technology or field of study did the benefactor focus on?
- What opportunities did this vision open to students and/or faculty in that school?
- In what ways has the quality of education and/or services at the community college been improved by this innovation?

Only one award in this category will be presented in a given year, and the award will not necessarily be presented every year.
