

Edward J. Pawenski Business/Industry Partnership Award

Scope and Importance of the Award

This award is bestowed upon an individual from or a business-industry-corporation, for their partnership and commitment with the local community college.

Criteria – Business/Industry Partnership Award

This award recognizes an individual from or a business-industry-corporation, for concerted effort to stimulate increased worker training and retraining activity.

It is important that the nominee support economic development and the community college mission in New York and the United States.

- What has been the role of the business / industry involvement at the community college?
- What is the specific focus of this partnership award?
- What opportunities have been offered to students and/or faculty through this partnership?
- In what ways has the quality of education and/or services at the community college been improved by this partnership?

Only one award in this category will be presented in a given year, and the award will not necessarily be presented every year.
