

Friend of Community Colleges Award

Scope and Importance of Award

Only one award in this category will be presented in a given year and the award will not necessarily be presented every year. The NYCCT Awards Committee can nominate an individual to receive this award.

Criteria – Friend of Community Colleges Award

This Award may be presented to individuals who may have formerly served as trustees, who are not currently serving as trustees, or may have never been a trustee of community college. These nominees, through their actions over a period of time, have significantly advanced the cause of community college education in New York State on a statewide basis.

A list or narrative of contributions should be submitted.

The Friend of Community Colleges Award is the highest award that NYCCT can make to a non-trustee.
